

## PALM VALLEY COMMUNITY ASSOCIATION

Meeting Minutes- 3/14/2016

The monthly meeting of the membership and board of the Palm Valley community Association was held at the Canal Blvd community center building.

The minutes and treasurers reports were approved.

Coalition Report- the Coalition meets at the Ponte Vedra Library the last Monday of the month at 10AM. There was a presentation on the Palm Cove development and at the March meeting there will be an update on plans for Nocatee.

Communications/Marketing Committee: Planning continues for a cocktail reception on 4/14/2016 with the invited guests to be local HOA's leadership/board members. The planned discussion for the evening will be the concerns/needs of these subdivisions. The PVCA website continues to have a steady stream of new users and membership continues to increase.

GMTRAC –Palm Cove, 35 houses on 10 acres-will probably require a BCC vote; no county meetings are scheduled yet. The Sheriff's Department will be focusing on speed enforcement on County Rd 210 and Roscoe Blvd. The county and community are watching business activity at 86 S Roscoe Blvd.

Beautification Committee- Still waiting and working for permitting from the county for tree projects. Working with the county to try to take over the landscaping/maintenance of the roundabout. A landscaping plan for the community association building is being developed, proposed 4/30 community volunteer work day to help put that plan into action.

Events Committee- Food Truck Friday Night, proposed date May 6 from 6-10PM. The committee would like to hear from members on what their vision is for the Palm Valley Community Center, one suggestion was a presentation about the history of Palm Valley. Members are encouraged to pass on any other ideas via the website.

Citizens Traffic Task Force- Now looking for funding for a \$250K traffic study from the Traffic Planning Office. The TPO will likely ask that the community and county raise a portion of these funds. The study will take approximately 18 months to complete and should help predict the impact of new developments and current traffic.

Nomination Committee-Greg Leonard, Doc Taranto, and Vicki Corlazzoli will be in charge of identifying potential replacements for board members whose terms will be completed this year.

The meeting was adjourned, next meeting will be held on 4/11/2016 at 7PM.
